

Alok Pandey

Software Developer

Passionate, tech-savvy, and driven by a love for problem-solving, I excel as an Automation Tester. Embracing emerging frameworks and technologies, I bring adaptability and creativity to every project. Balancing sports, literature, and coding, I believe progress in one area enriches the others. With a Knack for communication and a passion for coding, I thrive on collaborating with teams to deliver exceptional results. Let's connect to discuss how my skills can benefit your projects.
